Enjoy stunning views from this newly renovated home perched just above Winchester center! This home has been completely transformed while still showcasing gorgeous period details throughout. Enjoy a brand new kitchen with soaring ceiling, commercial grade stove, granite countertops, stainless appliances & double sink. Sought-after family room located right off the kitchen! First floor also boasts a full bath, formal dining and living rooms, butler's pantry/bar area and mudroom. The second floor features four bedrooms, another full bath, laundry and a reading nook with picturesque downtown views. 3rd floor master suite includes its own sitting area and another full bath. You'll discover even more space in a fully-finished lower level, featuring a large central area, flanked by two bonus rooms and yet another full bathroom.
