Located in one of Stoneham's most desirable neighborhoods, this incredibly well-cared for home is ready for you to move in. Sought-after one level living is an opportunity like this rarely comes along. Minutes away from routes 128 & 93, this WELL-MAINTAINED Ranch has all you've been looking for. Featuring an open and sunny kitchen/dining area with updated stain steel appliances! Spacious living room with a cozy fireplace. Carpet over Hardwood flooring, including hallway to bedrooms. Three main level bedrooms complete with a renovated full bathroom. Lower level is finished with an additional bedroom, family room with a wood burning stove, full bathroom and laundry room with custom cabinetry and storage. 1 car garage with access to mudroom/breezeway. Oversized level lot with a patio and stoned wall with raised yard. Perfect for summertime bbq and yard games! This home is waiting for you to make it your own!
